King Alfred

The Ruler of Daffodil Land

King Alfred rules by popular demand—far above all others—because it has all the good qualities a good daffodil should have. The rich golden flowers are large in size and have wonderful lasting qualities. The stems are tall and strong to uphold the blossoms in the stormy days of Spring. We grow many acres of this variety and that enables us to carefully choose the unexcelled bulbs that we ship to you.

JUMBO MOTHER BULBS. The largest and finest bulbs especially selected from the hundreds of thousands we grow. Three to five blossoms from each bulb.

3 for 75c, 12 for \$2.75, 100 for \$20.00

LARGE DOUBLE NOSE GRADE. Two flowers from each bulb. These are smooth firm bulbs, carefully selected.

3 for 55c, 12 for \$2.00, 100 for \$15.00

No. 2 DOUBLE NOSE GRADE. A little smaller than the Large Double Nose but otherwise perfect and over six inches around. They will produce from 18 to 24 blooms per dozen bulbs.

12 for \$1.25, 100 for \$9.35

LARGE TRUMPET DAFFODILS

THE PINK DAFFODIL

MRS. R. O. BACKHOUSE. This is the "Pink Daffodil", and with us here in the Northwest it certainly is pink. When the flower opens the trumpet is amber in tone but the yellow soon disappears leaving a beautiful clear shell pink coloration. While the flower has a delicate appearance it really is long lasting and makes a delightful cut flower. Each 40c, 3 for \$1.10, 12 for \$4.00.

BI-COLOR DAFFODILS

QUEEN OF THE BICOLORS. A strong and vigorous variety that produces large long lasting flowers early in the season. Broad pure white perianth and deep yellow trumpet. Each 30c, 3 for 85c, 12 for \$3.00.

MRS. R. O. BACKHOUSE

ALL-WHITE DAFFODILS

BEERSHEBA. One of the most beautiful daffodils. As shown in the illustration the whole flower is pure white and the form is near perfect—long narrow trumpet backed by a fine overlapping perianth. Because of its splendid substance the medium early flowers last a long time. Each 50c, 3 for \$1.40, 12 for \$5.00.

MOUNT HOOD. New. Because of its very large size, pure whiteness and the strong vigorous growth of flower and foliage this outstanding introduction attracted more attention than any other variety in our plantings this year. Each 60c, 3 for \$1.65, 12 for \$6.00.

MRS. E. H. KRELAGE. Often called "The White King Alfred". The large flower has a pale yellow trumpet at first but later the whole flower becomes uniform ivory white of waxy texture. 3 for 75c, 12 for \$2.75.

Received bulbs of you last year and at floral show took five first and one second premiums out of 10 blooms.

BEERSHEBA

LARGE and SHORT CUPPED DAFFODILS

This grouping includes the types that were formerly listed as *Incomparabilis*, *Leedsii* and *Barrii*. In this listing are found many of the most beautiful of all daffodils.

CARBINEER. We have been very much impressed by the beauty and strength of this large cupped variety. The cup is bright orange-red backed by a smooth perianth of deep golden yellow. Tall with strong stems and foliage. **Each 50c, 3 for \$1.40, 12 for \$5.00.**

CARLTON. A giant clear yellow self-color of vigorous growth, tall stems and heavy foliage. The perianth is very broad and the large cup is beautifully frilled. **3 for 50c, 12 for \$1.80, 100 for \$13.50.**

DAISY SCHAFFER. One of the most beautiful light colored daffodils. The large trumpet is light lemon yellow shading to white near the base with a lemon green throat. The wide spreading perianth is pure white. **Each 30c, 3 for 85c, 12 for \$3.00.**

DAMSON. A good bright flower on an unusually long stem. The perianth is creamy white shading to yellow at the base. The long cup is orange-red throughout. An excellent cut flower. **3 for 50c, 12 for \$1.80, 100 for \$13.50.**

DELAWARE. One of our special favorites. The trumpet of thick velvety substance is golden quince changing to creamy lemon. Perianth pure white. The fragrance is unique and delightful. New low price: **3 for 55c, 12 for \$2.00.**

DIANA KASNER. Large size flower having a cream perianth and yellow cup with bright orange-red margin. A vigorous growing, dependable variety that produces an abundance of tall stemmed flowers that are excellent for cutting. **3 for 40c, 12 for \$1.40, 100 for \$10.00.**

DICK WELLBAND. A good planting of this splendid variety is a thrilling sight. The broad spreading cup is bright orange-red and holds its color unusually well. The perianth is pure white, somewhat reflexing. **3 for 55c, 12 for \$2.00, 100 for \$15.00.**

FORTUNE. One of the world's most famous daffodils and deserving a place in every garden. Extremely strong grower on strong tall stems. Next to King Alfred this is probably the most popular daffodil. **Each 30c, 3 for 75c, 12 for \$2.75.**

FRANCISCA DRAKE. A striking flower of brilliant color. The large wide cup is flame-orange at the frilled edge, shading lighter at the base, making a sharp contrast with the pure white reflexed petals. Vigorous and free flowering. **3 for 50c, 12 for \$1.80, 100 for \$13.50.**

HADES. The color of the cup is frequently stated to be the darkest red in daffodils. It is a deep cherry red that lasts exceptionally well for so bright a color. The large flat perianth is creamy white. **Each 35c, 3 for \$1.00, 12 for \$3.50.**

HELIOS. A very early variety, ahead of King Alfred by several days. Petals of deep yellow, the cup shaded orange. The flowers are large and the stems tall and strong. Very free flowering. One of our best daffodils for forcing. **3 for 40c, 12 for \$1.50, 100 for \$11.00.**

HERA. If you want a lovely pure white flower of medium size for garden decoration or for cutting this is one of the best. When it first opens the bowl-shaped cup has a narrow border of primrose. **3 for 40c, 12 for \$1.50, 100 for \$11.00.**

JOHN EVELYN. We doubt if a description is necessary for most everybody knows John Evelyn. In case you don't we will say that it has a large flat cup with the most pronounced frilling and ruffling of all. This cup is lemon yellow shaded apricot backed by a four or five inch broad perianth of pure white. **3 for 65c, 12 for \$2.40.**

MYSTIC. Near the end of the Narcissus season this exquisite flower appears fresh and clean. The flat cup is unique in coloration, pure white shading to cool green in the center and having a rim of pinkish orange. Broad white perianth. **Each 35c, 3 for \$1.00, 12 for \$3.50.**

PORTHILLY. A perfect yellow and red variety. Clean-cut and distinct. The open cup is vivid orange-crimson, the clear yellow perianth is broad and smooth. **Each 35c, 3 for \$1.00, 12 for \$3.50.**

CITY OF HAARLEM. This fine cardinal red tulip is faithfully illustrated here. Large cup-shaped flowers of good substance. Tall strong stems. Perfect to plant with White Giant. 3 for 45c, 12 for \$1.60, 100 for \$12.00.

HOLLAND'S GLORY. Of all the tulips recently introduced in Holland this outstanding giant has received the most attention in this country and abroad. Conley's RAINBOW

This is an exceptionally good assortment of the longstemmed, large flowered tulips. It contains all the tulip colors—many more than illustrated—in a beautifully blended mixture. We offer these good bulbs in three separate grades which differ in size but not in quality. Each grade represents real value in highest quality bulbs carefully sorted and hand picked. We sell many thousands of these bulbs each year and have had many compliments from our highly pleased customers. The assortment is better than ever this year.

JUBILEE. This is certainly one of the very best of the medium dark blue-purple tulips. The large blossoms have rich color and firm texture. Height 28 in. 3 for 40c, 12 for \$1.40, 100 for \$10.50.

THE BISHOP. Each year when this fine variety comes into bloom we are again impressed by the beauty of the bright violet-blue flowers. They are very stately on their tall strong stems. QUEEN OF THE NIGHT. We think this is the best and darkest tulip, superior to the old La Tulipe Noire. Large oval flower of black purple-maroon with velvety sheen on tall stems. The foliage has a distinctive bluish tone. 3 for 40c, 12 for \$1.40, 100 for \$10.50.

Three Top Parrot Tulips: BLUE PARROT — ORANGE FAVORITE — THERESE

The Magnificent PARROT TULIPS

Immense flowers of brilliant coloring and unusual form—lacinated, ruffled and encrusted. Derived from the Darwin varieties, they have the strong stems and good growth of that type. We offer here the finest varieties to be obtained. Our top size bulbs will produce the largest possible flowers.

BLACK PARROT. A sensational new tulip of rich velvety maroon-black. The large substantial blossoms have excellent Parrot form. Tall strong stems. Each \$1.00, 3 for \$2.75, 12 for \$10.00.

BLUE PARROT. Certainly this gorgeous bluish heliotrope variety is one of the best Parrot Tulips. Huge long lasting flowers with heavy petals. Because it is such a good grower the price is now very low. 3 for 35c, 12 for \$1.30, 100 for \$9.75.

DISCOVERY. A most beautiful new pink variety derived from Darwin Princess Elizabeth. Extra large blossoms of vivid rosy pink with lighter edges. Strong stems. 3 for 35c, 12 for \$2.00.

FANTASY. A sport of the ever-popular Clara Butt, the huge flowers have the same beautiful salmon-pink coloring accentuated by scarlet shadings and marked with green encrustations. The inside shows bright geranium red. 3 for 35c, 12 for \$1.35, 100 for \$10.00.

FIREBIRD. Just like Fantasy, from which it sported, except that the color is vermilion red with scarlet glow. 3 for 40c, 12 for \$1.50.

LAETITIA. A new variety from Holland and claimed to be the best of the pink Parrots. It is an especially pleasing shade of rose-pink with red flushes. Very large flowers on strong stems. 3 for 35c, 12 for \$2.00.

ORANGE FAVORITE. Inside deep orange as shown. Outside glistening orange flushed salmon-rose with green encrustations. Huge oval flower. Called the most fragrant tulip. 3 for 40c, 12 for \$1.50, 100 for \$11.25.

THERESE. Many experts consider this the best red Parrot. The flower is of largest size, often more than 8 inches across. The color is bright cherry scarlet with green markings and white base. Larger and taller than Red Champion. 3 for 45c, 12 for \$1.60, 100 for \$12.00.

VIOLET QUEEN (Opal Queen). A charming soft lavender-violet tulip with a distinct feathery appearance. As compared to Blue Parrot it is considerably lighter in color, later flowering and more frilled. 3 for 50c, 12 for \$1.80, 100 for \$13.50.

TULIP SPECIES for Permanence

These wild species and hybrids are outstandingly beautiful and unusual and once planted may be left in the ground for years. They grow well under a wide variety of conditions but should have good drainage and a chance to dry out in the summer time. These species exhibit a wide diversity of form, from little jewels like *Linifolia* to the large brilliant *Praestans*, etc.

RED EMPEROR (Fosteriana Hybrid). Most popular of all tulips today. As shown on the front cover the flowers are dazzling scarlet and very large. The brilliance is all the more noticeable because of the extreme earliness of flowering—at the time of the daffodils before even the early tulips are out. Conley's top size bulbs give the largest blooms obtainable. 3 for 45c, 12 for \$1.65, 100 for \$12.35. First size bulbs (as large or larger than the size usually sold): 3 for 40c, 12 for \$1.40, 100 for \$10.50.

CHRYSANTHA. In the sun these lovely little flowers open wide, showing the pure gold interior. The outside is cherry red. Height 6 in. 3 for 35c, 12 for \$1.20.

CLUSIANA (The Lady Tulip). A charming slender plant with pointed blossoms on stems about 12 in. high. The outer petals are cherry red, the inner ones are white. This variety has proven very satisfactory in the warm South as well as in the colder parts of the country. 3 for 40c, 12 for \$1.40, 100 for \$10.50.

LILY-FLOWERING TULIPS

These tulips have an air of lightness and grace that sets them quite apart from the more solid cup-shaped varieties. Especially charming as cut-flowers and also beautiful to look upon in the garden. The amount of recurving of the petals varies with the different varieties but all have a certain lily-like form.

ALASKA. This is a good golden yellow tulip. Large elongated flowers, pointed petals. Sweet Scented. 3 for 40c, 12 for \$1.40.

CAPTAIN FRYATT. Sparkling ruby-red with blue center. Rare and beautiful. 3 for 50c, 12 for \$1.80.

MARCELLINA. We think that this is one of the most beautiful of the pink tulips. It has the true lily form in a clear and lovely cerise-pink with white base. 3 for 40c, 12 for \$1.50.

PICOTEE. One of the most beloved of tulips. White first with edge of pink as shown, later the pink suffuses the whole flower. 3 for 45c, 12 for \$1.60.

THE BRIDE. The best pure white Lily Flowered tulip. 3 for 40c, 12 for \$1.50.

JAN DE GRAAFF HYBRIDS

We are proud to present here a group of the new hybrid lilies produced by Jan de Graaff at the Oregon Bulb Farms. These lilies are the culmination of an enormous amount of work in hybridization followed by exacting selection over a period of many years. From the thousands of hybrids grown only a few have been selected for naming and propagation as separate varieties. These varieties have been chosen not only for their glorious beauty but also for their great vigor and endurance under adverse conditions. They are of the easiest culture. For those interested in lily breeding they would be of tremendous value.
